How to send a SKNV prescription through your EMR

- 1** Select 'SKNV Pharmacy' in the prescribing section of your EMR.

You can locate SKNV in your EMR by one of the following:

  - Name - SKNV Pharmacy
  - NCPDP - 5754634
  - Zip Code - 33442
  - City - Deerfield Beach, FL
- 2** Enter the SKNV medication name in your EMR.

Enter the SKNV medication name found in column 1. All medications are already loaded in your EMR.
- 3** Make sure the patient's cell phone is the primary contact in your EMR, then submit the prescription.

Let your patient know they will receive a text message to pay for the prescription.

Once payment is made and the RX is dispensed, the patient will receive a text message with the tracking information.
